The people in Hobart will not issue tickets for AIRPASS travel inside USA until they receive ticket numbers for travel across Pacific. Hobart-Melbourne-LosAngeles, and LosAngeles-Melbourne-Hobart. You hold these tickets. Please send tickets to me. First, send a FAX of these tickets which show ticket numbers. I'll give the FAX to ticket agent in Hobart for United. On FAX give departure and arrival times of United flite 818.

Time is beginning to run out. We must get on with this matter. I will,
