Dear Dr. Reber:

Further to our correspondence on your proposed visit to Honolulu, I received your letter of March 19, and I would suggest that you call me upon your arrival either on April 9 or, if that is not convenient, on Monday, April 12. We can arrange at that time for a trip to Mauna Kea, and also the location of your talk. I look forward to meeting you.

With kindest regards,

Yours sincerely,
