British Astronomical Assn.
303 Bath Road
Hounslow West
Middlesex, England

Gentlemen:

I wish to purchase one copy of the Journal of the British Astronomical Assn. dated October 1937 if any are still available. The article of interest begins on page 382. I note that recent copies are quoted at 3 shillings each. Consequently, I am sending thru the postal system an international money order for sum of 3 shillings 6 pence to include something for postage. Please send to me one copy of the above issue at your earliest convenience.

Yours very truly,

Grote Reber
