Dear Dr. Reber:

Listed below is the result of analysis of the last of the samples you submitted for dating:

<u>Isotopes, Inc. No.</u>	<u>Sample</u>	<u>Age in yrs. B. P.</u>
I-316	3 A <i>Kelly Pt.</i>	6050 \pm 350

If it is at all possible, it is better to submit larger samples. Not only are we able to obtain better precision, but we can process them much faster.

We hope these results will prove helpful.

Sincerely yours,

ISOTOPES, INC.
