Hello there, Mr. Reber:

Received your note of January 23. I called ABC TV and they either do not have a Director of Special Features, or they did not want to give it to me. In any event, they suggested that if you write to the department and address given below, they would be able to give you the information you require:

Information Department
ABC TV
1330 Avenue of the Americas
New York, NY 10019

Hope you're enjoying your retirement. Good luck.

Sincerely yours,
