Greetings Gwen:

You seem to be last
one of crew I knew in NYC. Please make
some fone inquiry to ABC. Try to secure
name and address of their Director of
Special Features for TV. I want to make
an inquiry about a memorial TV program
they had last November for 20th anni-
versary of death of President Kennedy.
Please let me know what you can turn up.

Thanks.

Sincerely yours,

Grote Reber
