

AUG. 29, 1960

Mr. MARTIN RYLE
MULLARD RADIO OBSERVATORY
CAVENDISH LABORATORY
CAMBRIDGE, ENGLAND

DEAR Mr. RYLE:

PRESENTLY I AM WRITING A SHORT DITTY ON THE HISTORY OF THE CROSS ANTENNA. THIS DEVICE HAS OCCURRED TO A VARIETY OF PEOPLE INDEPENDENTLY OVER THE PAST THIRTY YEARS. ABOUT 1952 I BELIEVE YOU WROTE A PAPER SETTING FORTH VARIOUS GENERALIZED INTERFEROMETER SYSTEMS. UNFORTUNATELY, I CAN'T FIND A COPY BUT IF I REMEMBER CORRECTLY, YOU HAD THE CROSS IN THIS ARTICLE. ASSUMING THE ABOVE IS TRUE, PLEASE SEND TO ME A COPY BY AIR MAIL SO THAT I CAN INCLUDE YOUR IDEAS PROPERLY.

LOOKING FORWARD TO HEARING FROM YOU SOON,
I AM

SINCERELY YOURS,

GROTE REBER
