Dear Grote,

We have pleasure in confirming your bookings as per enclosed itinerary. You obviously want to alter your Los Angeles Melbourne flight as you have asked us to book 23 June and yet Los Angeles Melbourne is 22 June according to United Airlines.

Also United have other flights for you which you obviously have other arrangements.

Can you please do the following:

1. Confirm that the pass you require is as per our enclosed itinerary.
2. Fax or phone United to give them authority to hand over to us the relevant flights for the Pass (reason is that we have you booked but one of the flights (Chicago to Vancouver) is waitlisted whereas they are holding it) Quote my name and the name of our Agency.
3. When you receive your tickets for Hobart Melbourne Los Angeles and return let us have those numbers by fax or letter whichever is easiest.

If you have a fax number can also advise us so we can communicate faster. Cost is as discussed and is required by 5 May.

Please make sure also that you have a USA visa in your current Passport. If not we can obtain this for.

Assuring you of our best attention.

Yours sincerely,

Angela D'Ettorre

P.S. Travel Insurance is highly recommended for the USA and we enclose a brochure for your information. If you are aged over 70 you need to complete the top part of the enclosed form also. If you have any pre existing illness you also need your doctor to complete the bottom section.
