

Dear Grote - Rec'd 17/4/96 10 Apr. '96  
Received your card of 29 Mar. on 6 April.  
Having gotten The NRAO phone# from Information  
[(304) 456-2011], this morning I called, &  
talked to Shirley Curry. She said your funds  
have not been denied, but only held up,  
mainly by budget cut-backs, & also by searching  
for the cheapest fare. Sue Ann Heatherly is  
closest to the matter, but was absent today.  
I asked her to call me back. If she ~~does~~, I'll  
say a stop in Phoenix would be good enough; either  
we can get you a ride from there & back, or use a  
bus (\$21.50 each way; much cheaper than plane). So  
don't give up. We'll do our best on this end. Take  
care. Good to hear from you again. Regards, John C. Tr.
