Dear Grote:

On behalf of the Museum, I wish to extend congratulations once again upon your induction into the Du Page Heritage Gallery. It was an exciting occasion!

We so much enjoyed the opportunity to have you visit the Museum yesterday. We are looking forward to adding the photograph(s) of your initial work here in Wheaton, and any related materials which you may wish to include in the collections. The addition of your Grandmother's silver will also be most welcome. Thank you for your kindness to the Museum and its audience.

If your busy schedule permits, we would enjoy having lunch with you when you return to this area.

With best wishes and much success in your Canadian trip.

Sincerely yours,

DU PAGE COUNTY HISTORICAL MUSEUM
