Dear Mr. Silver:

Your FAX of 24th arrived 4pm same day. Thanks. Unfortunately the 30th is not suitable. I will not be here. Try a week later on 7/7/94. It would be wise for you to come out a few days before hand, say 4/7/94, and examine job to learn just what will be needed. A few objects will still need to be packed. You should bring suitable packing material with you on 7th.

I'll fill out the insurance papers when I have them in hand.

Yours faithfully,

Grote Reber
