

16th January, 1967.

Professor Kunihiko Kigoshi,
Gakushuin University,
Mejiro,
TOKYO ... JAPAN.

Dear Professor Kigoshi,

In accordance with your note of the 7th I am dispatching by air parcel post two samples of charcoal taken from bottom of aboriginal kitchen middens. Please perform an age analysis at your earliest convenience by process A. Through the banking system I am sending to you US\$100.00 in payment. Enclosed is a reprint of earlier studies on this subject.

Yours faithfully,

Grote Reber.
