Greetings Fred:

Thanks for your FAX. It arrived on 5th. Yes, I'll be pleased to accompany you to Huntington to give a half hour talk about something. We can discuss details when I get to Green Bank. I'm a member of AFA of long standing. If time permits, I will make a trip to Rochester.

In accordance with instructions from Gen Kellermann, I'm arriving at Pittsburgh, Wednesday 24 May on United flite #518 at 1646. Someone with a car is to pick me up. I'll leave Saturday on Sunday June 18th on United #285 at 1400.

We'll figure out a plan of action in due course.
