Greetings Bruce:

Last month I had some correspondence with a cousin, James R. King, who works at Kodak. At my suggestion, he rang Chuck Brulsford. Jim also made a booking for me at Sheraton near airport for nites of 30th + 31st. Apparently Chuck suggested Wednesday 31st as a suitable day to visit museum at East Bloomfield. If so, perhaps you or Chuck could pick me up at Sheraton about 10am on 31st. We can discuss old times and new. Also I've a project to discuss with you fellows which might be suitable for AWA.

My operations at Palatine are completed for this year. I leave here on 25th.
