Mr. Grote Reber
Tasmanian Regional Laboratory, CSIRO
"Stowell", Stowell Avenue,
Hobart, Tasmania,
AUSTRALIA

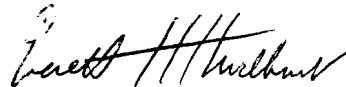

Dear Mr. Reber:

Your letter of December 13, 1966 has been received.

Your comments in regard to the technical details of the Mills Cross are quite interesting and I shall bear them in mind when opportunity comes to make the best use of them.

I very much appreciate your interest and concern on these matters and send my best regards.

Sincerely yours,

Everett H. Hurlburt
Program Director for
Radio Astronomy
