

30th October, 1964.

**Cochron Laboratories,
24 Blackstone Street,
Cambridge 39, Mass.,
U.S.A.**

Dear Sirs,

My principals in U.S.A. are Research
Corporation, 405 Lexington Ave., New York 17, N.Y.

Your letter of 12th August, 1963, provided
information about your services and fees. Enclosed with
this letter are two samples of charcoal.

7.75 grams from site 14.

9.44 grams from site 16.

Please determine the age and advise me
accordingly. The bill for the work and the unused remains
of samples should be sent to Mr. C. H. Schauer as above.

Yours faithfully,

Greta Haber.
