Greetings John:

Your cordial letter of 19/3/96 arrived on 27/3/96. Thanks. Yes, my trip is on definitely, now. Yesterday, I received my ticket. I'll arrive in Phoenix on United flite UA2953 at 1325 pm saturday 1st June. I'm happy to accept your offer of transport to Flagstaff. The conference begins on sunday 2nd June; so we'll have to find a place to put up saturday nite. See what you can turn up. You and I are both on program for afternoon of monday 3rd June.

I understand that someone has paid conference registration fee of \$40 on my behalf. I'll reimburse this person in due time.

I'm not interested in rest of program, so I'm leaving Phoenix on tuesday 4th June at 905am on United flite UA168 for Washington. I'll probably need to put up in Phoenix tuesday nite of 3rd. What can you find? We can arrange this when I see you. I thank you again for your efforts on my behalf.

C. U. in two weeks,
