Dear Sirs:

This note is in response to your ad in yellow pages. Enclosed are details of my travel plans. The people in USA have tickets for the first two and last two legs of journey. I have reservations with United in Melbourne for legs 3,4,5,8,9. They are holding to 1st May. I need reservations for legs 6,7. Contact United in Melbourne. The people in USA tell me that I should buy an AIRPASS for all the travel in USA. Such is considerably cheaper than regular ticket.

Please make reservations for legs 6 & 7.
Give me price on AIRPASS for legs 3,4,5,6,7,8,9.

I am,

Yours faithfully,

Grote Reber
