University of Tasmania,  
Box 252 C, G.P.O.,  
HOBART. 7001.

Dear Dr. Reber,

The Committee of the Electrical and Communications Branch of this Institution is preparing the programme of general meetings for the 1973 session and in regard to this, we understand that you may be prepared to deliver an address at such a general meeting.

I believe that you have been contacted by Mr. J. Beresford concerning a possible address and therefore I am writing on behalf of the Branch Committee to enquire whether 2nd October 1973 would be a suitable date. The venue would most probably be the Hydro Electric Commission's Theatrette in Hobart.

Should you accept our invitation to address a meeting in October, final arrangements can be made at a later date.

Yours sincerely,

*J. D. Crowley*  
(J.D. CROWLEY).

Hon. Sec. Electrical and Communications  
Branch.

Dear Mr. Crowley,

Yes, Jack Beresford asked if I would be here next October, and if so, would I give your society an evening lecture. I agreed to do this. The date of 2nd October 1973 will be satisfactory.

Yours faithfully,

Grote Raber
