AND INDUSTRIAL RESEARCH,  
PARK HOUSE,  
24, RUTLAND GATE,  
LONDON, S.W.7.

21st June, 1948.

Dear Dr. Reber,

I find I have a reprint of your  
November 1944 (Astrophysical Journal)  
only. Could you possibly send me  
reprints of all the others you have  
published in the cosmic noise field?  
I should so much like to have them  
by me for reference.

Yours sincerely,

*S. V. Appleton*

Dr. G. Reber,  
Radio Division,  
Bureau of Standards,  
WASHINGTON, D.C.
