Dear Mr. Oref,

Thank you for your recent letters plus the fotos of Jansky and his antenna. These are being placed on my office wall. I appreciate this quick service and am proud to have these on display.

When some suitable aerial fotos of my installation are made I will reciprocate in kind.

I am pleased to learn Sydney Smith is still with N.R.A.O. and look forward to seeing him next time I am in U.S.A.

Yours faithfully,

Grote Reber.
