Bothwell, Tasmania
Australia

Pasadena, California

April 23, 1962

Dear Mr. Reber:

Thank you for your letter of April 6.

I reported to Dr. Einarsson that you could be in Berkeley in the last of September and he has made plans for a dinner at the Faculty Club on Friday, September 28, at 6:00 PM. We hope that will be convenient for you.

Dr. Einarsson will reserve a room for you at the Faculty Club or at a hotel, which ever you prefer.

Please let him know for what days you would like reservations in Berkeley. His address is:

Dr. Sturla Einarsson
Department of Astronomy
601 Campbell Hall
University of California
Berkeley 4, California

I hope to see you in Berkeley next
September.

Sincerely yours,

Seth B. Nicholson
