National Radio Astronomy Observatory  
Post Office Box 2  
Green Bank, West Virginia

Dear Dr. Reber:

This is to acknowledge your letter requesting a print of a figure used in Ronald Foster's article on "Directive Diagrams of Antenna Arrays."

We have made a search of our files and have not so far been able to locate a glossy print of this photograph. However, we are having a further search made in some files that are now in storage. It is possible that we may be able to locate the original artwork. Since this is taking a little time, I wanted to let you know that we had received your request and are trying to locate the photograph you need.

Sincerely,

M. JOSEPHINE DOTY
