Mr. Paul H. Douglas
Senator from Illinois
Senate Office Building
Washington, D.C.

Dear Sir:

The morning paper informs me that
MacArthur has been removed. This is the final
piece of incompetence of our administration.

I expect you to get rid of Truman, Acheson
and Marshall immediately. If you do nothing
about getting rid of these dangerous fools, it
will be necessary for me to see what can be
done about replacing you by somebody who can.

Yours truly,

George H. Meyer
