ALIAS: BOA

Dear Mr. Landolt:

Thank you for your cordial
congratulatory letter of 13th. I'm very pleased.

Enclosed is xerox of a note in Physics Today,
Nov. 82, p 108 & 9. The response was surprising.
The university received over 70 requests. These
came from 24 states in USA plus 10 foreign
countries. Physics Today really gets around. A
peculiarly large number were attracted by the
religious aspect. Perhaps God is not dead yet!

Thanks again for your good wishes,

Sincerely yours,

Grote Reber
