"Stowell",
Stowell Avenue,
HOBART, Tasmania.

Dear Reber,

I thought you might like to know that the Executive has agreed to your being accorded the status of Honorary Research Fellow in Radio Astronomy.

This is intended to recognize the fact that we are keen to help you in small ways wherever this is possible, within the limitations imposed by the qualification "Honorary". We are glad, e.g. to allow you to draw on some, at least, of the facilities and services available to C.S.I.R.O. staff should you have need of them.

Yours sincerely,
