

MHB/MHD

22nd September, 1961.

Dr. C.M. Focken,
Director,
Institute of Applied Science,
Swanston Street,
MELBOURNE 01. VIC.

Dear Dr. Focken,

In accordance with your letter of 5th July we are enclosing two samples of charcoel in three small containers. The particulars are on Form A also enclosed. Please make tests to secure for us age dates on these samples. The costs will be defrayed from the account of Mr. Reber at this office. Please return any charcoel not used by you.

Yours faithfully,

M.H. Bennett
Clerical Officer.

Several prompting letters and excuses by Focken during 1962/3. Focken left in 1964. Ann Bermingham got things going early 1965.
