NOTICE TO STUDENTS

Electrical Engineering III (Communications)

Dr. Grote Reber will give two lectures as part of the above course as follows:

June 26th - Optical Astronomy

July, 3rd - Radio Astronomy

These lectures will be followed by a visit for those who have attended the lectures to Dr. Reber's field station at Rothwell on Saturday, July 6th. Transport will be arranged at the second lecture. Lectures will be held at 9.00 a.m. in room 334.

Gordon Newland

Professor of Electrical Engineering
