Bothwell, Tasmania
Australia 7030

Dear Grote:

Thank you so much for your note of November 15th in which you inquire about the address of Genevive Grote. Louise Spanke will research her address and send the information to you just as soon as she has it.

It is good to know that you returned safely to Australia and we hope, by now, have rested a bit. With best wishes for a very Happy Holiday.

Sincerely yours,

DUPAGE COUNTY HISTORICAL MUSEUM
