Dear Bridle,

I shall be honoured to recommend you for registration as a research student though I do not feel I am a qualified authority. As a rule the job is done by a man's Director of Studies and another supervisor but it is only a formality when the applicant has your kind of examination record so I can do the job as well as anybody else.

Yours sincerely,

A.H. Bridle Esq.,
71, Harrow View,
Harrow.
Middlesex.
