Dear Mr. Groueff:

Thank you for your interesting and flattering letter of the 22nd. The only picture I can provide is a 4" x 5" black and white of my 32 ft dish as installed at Wheaton during 1937. The dish is turned far south showing face of dish, plus parapet with apparatus at focus.

Upon receipt of an international money order for twenty five dollars australian, I will have a glossy print made and sent promptly by air mail.

Very truly yours,

Grote Reber
