Dear Dr. Rees:

Recently I have received a letter from R. D. Davis of the Royal Astronomical Society. He states the RAS has awarded to me the Jackson-Gwilt medal. I am very flattered.

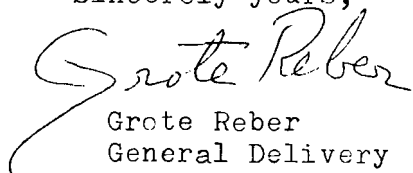

Unfortunately, it is not possible for me to travel half way around the world to receive medal in person. Presumably the ceremony will be in London. I will be most appreciative, if you will be kind enough to stand in for me, receive the medal, and perhaps say a few words in reply on my behalf.

If you see fit to carry out this small task, please contact Davis directly for time and place. He gives his address as:

M.R.A.L., Jodrell Bank
Macclesfield, Cheshire
SK11 9DL

Your assistance in this matter will be greatly appreciated by me.

Sincerely yours,

Grote Reber
