Dear Dr. Reber :

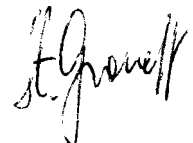

Thank you very much for answering my letter
so promptly.

What we need especially is a picture showing you, if possible
in color. We have an old black and white photo of your Wheaton
antenna, but don't have it in color, and don't have anything
on yourself.

If the art director in Paris thinks that the black and white
of the dish is not good enough, I'll write you again and send
you the money order for \$25.- But we would appreciate it very
much if you could send us any photograph of you, preferably
in situation and not formal.

Thank you again.

Sincerely yours,

Stephane Groueff
