Greetings Rhys:

Thanks for your fine letter of the 19th. I will be driving up to Narrawah on the 29th arriving there late in the afternoon. I have accomodation at the Narrawah Hotel for three nights. The morning of the 30th I'll find my way out to West Point.

If the country is dry I should be able to make it in my Vanguard sedan. If too wet I'll have to try to rent a Landrover.

When you move to Rocky Cape I'll go with you and help you get started. If possible, I'd like to get back here by the evening of the 4th February.

C U in ten days.
