Dear Sirs,

Attention : Mr. Milton Trautman.

Upon looking over some old correspondence I find uncertainty about date on my sample 11A (your number I-323). By your letter of 11th October, 1961, the date is 3700 years. This is a recapitulation of your letter of 6th September, 1961, stating 8700 years. Please advise which of these is correct.

Please send current list of fees to do a few more samples.

Yours faithfully,

Grote Reber.
