

31st March, 1964.

Mr. John Wyatt,
46 Wainea Avenue,
SANDY BAY, ... Tas.

Dear Mr. Wyatt,

Thank you for your kind letter of the 25th.
I am indeed pleased and will be happy to join your group
of botanists. Dr. Martin informs me that you meet the
second Tuesday of the month. Looking forward to a note
advising me of time and place,

I am,

Sincerely yours,

Grote Reber.

*Gave discussion on beans one evening during
winter 1964 at his home.*
