AIR MAIL

Mr. Grote Reber
Commonwealth Scientific and
Industrial Research Organization
Tasmanian Regional Laboratory
Stowell Avenue
Hobart, Tasmanian
AUSTRALIA

Dear Mr. Reber:

Your letter of October 14 to Dr. Haworth has been referred to me for reply. Apparently this crossed in the mail with my reply to you on October 11 which I trust you have received by now. I hope the information that I was able to supply you has been useful to you.

Sincerely yours,

Everett H. Hurlburt
Program Director for
Radio Astronomy
