Dear Mr Reber I have attempted unsuccessfully to reach you by phone regarding your induction into the IIT hall of fame on 9-23-83. While your appearance at the induction

ceremony would be most welcome I realize that it may not be possible. A brief statement on your achievements to be read on this occasion would be appreciated. I would also appreciate your instructions on the disposition of your hall of fame medallion and citation. I again extend my personal congratulations and will be awaiting your reply. Sincerely yours
