

23rd August, 1963.

Dr. Bart J. Bok,
National University,
CANBERRA.....A.C.T.

Dear Bart,

Enclosed are copies of correspondence and proposal by me to N.S.F. Please examine this material at your convenience. If you know of some method by which N.S.F. may be stirred into action please feel free to do so.

Things are going well here with both the sky and the beans.

Best regards,

Grote Reber.
