ALL CORRESPONDENCE TO BE
ADDRESSED TO THE LIBRARIAN

10th July, 1972.

Dr. G. Reber,
C/- C.S.I.R.O.,
Stowell Avenue,
BATTERY POINT. 7000.

Dear Dr. Reber,

"Grote" Professorship of Mind and Logic,
University of London.

I am enclosing the excerpt from the Dictionary of National Biography which gives (in some detail) the life story of the "Grote" who founded this chair. The actual reference to the provision of money for the chair ^{occurs} on p.733, col. 2.

The "G.C.R." who wrote the article is George Croom Robertson, who does seem to have had some connection with the family.

If you are interested in other British "Grotos" there are actually four whose lives are included in DNB. I'm enclosing the summary from the Index volume as a guide to these and we would, of course, be very happy for you to come in and consult the full Dictionary at any time.

Yours sincerely,

Gillian Blain
